EMBROIDERY ON COLLAR

Embroidery lettering can be placed on the twill collar as the school name, school motto, graduating class year and etc.
For Senior and Rep Rugby Jersey's

APPLIQUÉ

Appliquè customisation is popular when used for school leaver jersey's. It captures the vintage athletic college look. Due to being stitched onto the garment, the design has more longevity and use.

This technique can also be used with dye sublimation inside the appliqué. This will allow the class names to be placed inside the numbers easily.

The restriction is that the number height is 25cm maximum.
For Senior and Rep Rugby Jersey's

INDIVIDUAL VINYL NAMES

Vinyl transfer is an embellishment where artwork is printed onto an adhesive material and then heat pressed onto the garment. It's an alternative option to embroidery, vinyl print is usually used for individual names.

For Senior and Rep Rugby Jersey's
